A Little about Stony Ridge Resort & Cafe

Our restaurant uses only the very freshest ingredients available. Every morning our produce is hand selected and our burger is ground fresh. Our dairy products are delivered fresh from Dahl's Dairy. Our "Stuffed Hashbrowns" are shredded upon your order and our burgers are hand packed upon your order to ensure this freshness! With Fifty burgers on the menu, we've obviously sold a few. Over fifty thousand of them since the year 2000. Our "Stuffed Hashbrowns" have become known as the "must have breakfast" while in By. Our "Country Style " BBQ Ribs in our homemade "Backwoods BBQ" sauce are so popular that rarely do we have enough ribs to fill the orders! Our "Hand Battered" Walleye sandwich or our "Hand Battered" Pan Fried Walleye dinner is second to no one! Stony Ridge Resort also offers cabins rentals, tent & RV sites as well as fishing boat & motor rentals.
